**Education:**

Harvard Kennedy School December 2020 Financial Management  
As a graduate of the Harvard Kennedy School of Cambridge, Massachusetts, I have a working knowledge of crafting a logic model narrative that presents inputs, resources, outputs, and expectations for individual programs. I am familiar with the unique aspects of the financial statements for a nonprofit organization as well as creating forecasting and budget models.

Georgetown University School of Medicine 1987 Medical Doctor, M.D.  
Georgetown University School of Medicine 1988 Internal Medicine Internship  
Georgetown University School of Medicine 1989 Anesthesiology Residency  
Georgetown University School of Medicine 1991 Pediatric Cardiac Fellowship
